POINT 2

A mild sunscreen you'll want to wear every day, 365 days a year.

Product tested in human clinical trials
*Clinically tested for skin irritation

POINT 3

Mild and Mighty Hybrid Sun Protection

Hybrid Sunscreen: The Best of Both Worlds
- No White Cast. Smooth Application,
Soothes Skin Irritation
The Best of Both Worlds
- No White Cast. Smooth Application,
Soothes Skin Irritation

POINT 4

Boosted Moisture with the Power of Blue Plant

Formulated with YMIR's exclusive Perilla frutescens extract and 6 herbal extracts to soothe sensitive skin, provide deep hydration, and protect against UV rays.

HOW TO USE

- 01 Apply an appropriate amount at the last step of your skincare routine.
- 02 Apply liberally and evenly to all exposed skin, including the face, neck, and arms. Allow the product to absorb completely.

*Apply more generously to areas that get a lot of sun exposure. It won't pill even with reapplication.
